25 YEAR RE-REVIEW

The Honorable
The Secretary of State
Washington 25, D. C.

Attention: Division of Foreign Service Personnel

Dear Mr. Secretary:

Pursuant to Paragraph 1.9, Standardized Government Civilian Allowance Regulations (Foreign Areas), issued by the Department of State, it is requested that Kyrenia, Island of Cyprus, and Caversham, England, be reclassified so as to provide a more equitable basis for the payment of allowances prescribed by the Regulations as discussed by representatives of the Division of Foreign Service Personnel and this Agency at a conference on 21 December 1949.

In support of this application, there are attached two basic files of the documentary evidence submitted on behalf of Foreign Broadcast Information Service Bureaus of this Agency located at Kyrenia and Caversham. It is desired, on the basis of the attached evidence, that the classifications of Kyrenia and Caversham be equivalent to those granted Nicosia, Island of Cyprus, and London, England, respectively.

Sincerely,

SIGNED
